Become a member of the Schumann-Verein Leipzig e.V.

Founded in 1995, the Schumann-Verein has dedicated itself to preserving the cultural heritage connected to the life and works of the artist couple in Leipzig. The association is located in the Schumann-Haus. Here Robert and Clara Schumann spent the first four years of their marriage from 1840 to 1844. The association maintains a permanent exhibition in the former living quarters of the artist couple and also regularly hosts concerts and readings in the music salon, which has been restored to match the original. Every year around Robert and Clara Schumann's wedding anniversary (September 12th) and Clara Schumann's birthday (September 13th) the Schumann Festival week takes place.

The association finances its work through subsidies from the city of Leipzig as well as through projects with third-party funds, contributions from sponsors, donations, museum and concert tickets and member dues. With your membership, you will contribute in great part to sustaining the work of the association.
